I understand that cross-country skiing is an action sport carrying significant risk of personal injury. Racing and competing in this sport is even more dangerous. I know there are natural and man-made obstacles or hazards, surface and environmental conditions, and risks which in combination with my actions can cause the very severe or occasionally, fatal injury. I agree that as a participant I must take an active role in understanding and accepting these risks, conditions, and hazards. I also agree that I am responsible for my safety while I participate in or train for this event and not the Rangeley Lakes Cross Country Ski Club, or its staff, sponsors, officials, volunteers, club members, or landowners.
